A competitor can do a single event or all five we would just like them to take part and enjoy themselves.

Gala is open to all swimmers from small pool (who are able to swim 25 metres) lanes 1 and 2, and from lane 3 if they have only moved up this year.

In a recent change to the entry conditions all swimmers who will be aged 8 or under by the 31<sup>st</sup> December 2015 will be eligible to compete regardless of which lane they are in.
